We have 4 corridors here at Abbey Hill which each have a colour – red, blue, green and yellow
There is a map to help you find your way around

This is the green corridor. Here we have our soft play room, medical room and some classrooms for students with more complex needs. This is also where our Tuck shop is at break time. We line up in this corridor for lunch. The doors at the end lead us out to the Lower school yard

This is the red corridor. Here we have the art room, the HFS room, 2 ICT suites and the music room. The door at the end leads out to the MUGA, field and the Upper school yard.

This is the yellow corridor. Here we have the English and Science classrooms. It is also where the library and the Rainbow Room are.

Finally, we have the blue corridor. This is where the staffroom, the CDT room and the PE changing rooms are. If you follow it to the end you will come to the Hall

This is our Hall, which we use for Assemblies and Lunchtimes
